

Exhibit A

Schedule of Retained Causes of Action

This **Exhibit A** contains the Schedule of Retained Causes of Action. Article IV.F.10. of the Plan provides as follows:

Unless any Cause of Action against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in this Plan or a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Debtors shall convey to the Plan Administrator all rights to commence, prosecute, or settle, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, which shall vest in the Plan Administrator pursuant to the terms of this Plan. The Plan Administrator may enforce all rights to commence, prosecute, or settle, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, and the Plan Administrator's rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Plan Administrator may, in its reasonable business judgment, pursue such Causes of Action and may retain and compensate professionals in the analysis or pursuit of such Causes of Action to the extent the Plan Administrator deems appropriate, including on a contingency fee basis. **No Entity may rely on the absence of a specific reference in this Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Plan Administrator will not pursue any and all available Causes of Action against it. The Debtors and the Plan Administrator expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in this Plan.** Unless any Cause of Action against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in this Plan or a Final Order, the Plan Administrator expressly reserves all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. The Plan Administrator shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to, or action, order, or approval of, the Bankruptcy Court.
